Clear Space Guidelines Sheet

DOC: BRD-CS-001 • LUMINA BRAND STANDARDS

BRANDING GUIDELINES • MINIMUM CLEAR SPACE • VERSION 1.0

CONSTRUCTION RULE

- Clear space is defined as “x”, equal to the height of the capital “L” in the LUMINA logomark.
- Maintain this clear space around all sides of the logo at all times.
- This ensures legibility, visual clarity, and brand consistency.

APPLICATION NOTES

- Do not place other logos, text, or UI elements inside the clear space zone.
- When scaling the logo, the clear space scales proportionally with the logo.
- Minimum print size: 24mm width for logo + clear space.

Favicon Size Comparison:
